Debt in focus: All eyes on AAP's Sunday budget

₹1,000 Stipend For Women Also In Spotlight

Vibhor.Mohan
@timesofindia.com

Chandigarh: As the Punjab Vidhan Sabha convenes on a rare Sunday to mark International Women's Day, the fiscal prudence of the AAP gov't will be under the lens during the presentation of the state budget for 2026-27.

The financial roadmap is expected to be a tightrope walk as the ruling party is likely to fulfil its much-hyped pending poll guarantee of a Rs 1,000 monthly allowance for women, while simultaneously trying to stabilise a treasury burdened by heavy subsidy commitments and legacy liabilities.

When finance minister Harpal Singh Cheema presents the budget on Sunday, which coincides with International Women's Day, the state's debt trajectory will be the central point of scrutiny, having more than trebled over the last decade.

Since the AAP gov't assumed office in March 2022 with a legacy debt of roughly Rs 2.83 lakh crore, the total outstanding liability has grown to a projected Rs 4.17 lakh crore by the end of the current fiscal year.

"This absolute increase in debt of over Rs 1.3 lakh crore in four years highlights a persistent reliance on borrowing, even as the gov't argues that 85% of new loans are utilised to service interest and principal on legacy debt," said a retired professor of economics.

Fiscal stability is further challenged by a revenue deficit that was projected at Rs

IT'S LEGACY DEBT: CHEEMA

Last week, Cheema claimed that the AAP gov't managed to reduce the debt-to-GDP ratio from 48.25% in 2022 to 44.47%. He said the state was still trapped in "legacy debt", revealing that 85% of all new borrowings — comprising 35% for principal and 50% for interest — were being consumed just to service loans taken by previous regimes, leaving less than 15% for actual development.

23,957 crore (2.7% of the GSDP) in the last budget. Bridging this gap remains difficult due to the state's massive subsidy burden, which includes the cost of free agricultural power and the 300 units of free domestic power for nearly 90% of households. While the combined power subsidy bill has historically hovered around Rs 20,000 crore, the downward revision in tariffs by the state power regulator on Friday is expected to provide a fiscal windfall. The reduction in the average cost of supply could lower the gov't's subsidy reimbursement liability to approximately Rs 15,200 crore, potentially creating the fiscal headroom needed for the women's stipend. Meanwhile, a universal rollout of the Rs 1,000 monthly allowance for the state's 1.07 crore women voters is estimated to cost nearly Rs 12,840 crore annually. The fifth budget of the AAP gov't is likely to define the political narrative ahead of the 2027 assembly elections. So far, the AAP gov't has refrained from imposing any new taxes in the last four budgets.

Himachal plans reset in panchayat seat reservation

TIMES NEWS NETWORK

Shimla: The Himachal Pradesh gov't has proposed amendments to certain provisions of the Himachal Pradesh Panchayat Raj (Elections) Rules, 1994 concerning reservation in Panchayati Raj institutions. The state cabinet, headed by chief minister Sukhvinder Singh Sukhu, on Saturday invited objections and suggestions from the public on proposed amendments.

CABINET MEET

The proposed changes to Rules 28, 87, 88 and 89 stipulate that panchayats reserved continuously for two consecutive terms since the base year 2010 will not be reserved in the forthcoming panchayat elections, scheduled to conclude by May 31. The measure is aimed at ensuring rotation in reservation and giving more panchayats the chance to contest from unreserved seats.

The council of ministers also gave its nod to cancel 15 hydroelectric projects that failed to be commissioned despite availing the benefit of the one-time amnesty scheme. It also decided to allot the

10 megawatt (MW) small hydroelectric project at Parbati to the Bhakra Beas Management Board (BBMB), subject to the return of the unutilised land by the BBMB to the state gov't. The state gov't will receive 13% free power and 5% power as its share from the BBMB.

Approval was also granted to enhance Heli-Taxi services on the Chandigarh-Shimla-Chandigarh route from 3 sorties to 12 sorties per week, with flights to be operated twice daily for six days a week. The state gov't will provide viability gap funding to support the operation. The cabinet also approved amendments to the Social Security Pension Rules, 2010, by redefining the term 'destitute'. Under the revised provisions, women abandoned by their husbands, who are not living with them and have no independent source of income, will be considered destitute women. It also decided to extend 40% of the local area development fund under the Swarn Jyanti Energy Policy for providing financial assistance to children of the state.

Horticulture course in schools

Shimla: Himachal has become the second state in the country to receive "Dual Category" recognition from the National Council for Vocational Education and Training (NCVT), after Andhra Pradesh. Education minister Rohit Thakur on Saturday said as part of the new initiative, the state will introduce a specialised vocational course in horticulture in schools. TNN

BJP slams Sukhu gov't over tax burden, closure of institutions

TIMES NEWS NETWORK

Shimla: Himachal BJP president Dr Rajeev Bindal on Saturday criticised the Sukhvinder Singh Sukhu gov't, accusing it of wasting nearly 40 months blaming the saffron party instead of working for public welfare.

The Congress party failed to deliver concrete development for the people of Himachal Pradesh and instead fo-

ocused on political blame games, Bindal stated in a press statement. He questioned why institutions such as schools, colleges, hospitals, primary health centres and veterinary hospitals were being shut down despite the gov't reportedly taking loans of around Rs 45,000 crore.

The BJP leader alleged that while the gov't continued to make announcements in the name of development, basic services were being withdrawn from the public at the ground level.

Bindal also accused the state gov't of increasing the financial burden on citizens by imposing multiple taxes. According to him, value added tax (VAT) on diesel increased by Rs 7.50.
